

The background is a dark, abstract composition of geometric shapes and textures. It features a series of parallel, slightly curved lines in the upper right, a grid-like pattern of small squares in the lower left, and a series of horizontal, slightly wavy lines in the bottom left. The overall color palette is dark, with shades of black, grey, and blue.

ARHITEKTONSKO STAKLO

Industrijska estetika

Važno mjesto u modernoj arhitekturi zauzimaju različite vrste industrijski proizvedenog stakla. Uz odlične estetske i funkcionalne karakteristike, velika prednost je i pristupačna cijena. U našoj ponudi imamo više vrsta industrijskog stakla različitih tekstura, tzv. ornamentna stakla. Ornamentna stakla radi svoje površine raspršuju svjetlo i dekorativna su, što je savršeno za pregrade i unutarnje dizajnerske elemente. Ornamentno staklo u vanjskoj primjeni estetski doprinosi zgradi i omogućuje privatnost u različitim arhitektonskim kontekstima.
