SLIM FRAME

Elegance in Every Line – Slim Frame, a refined glass shower enclosure with a minimalist aluminum frame. With doors that open both inwards and outwards, hidden magnetic seals, and a sleek, slim profile, Slim Frame combines cutting-edge technology with timeless aesthetics. This system redefines contemporary bathroom luxury—discreet, functional, and beautifully designed.

GLASS

Decorative Glass

Our range of decorative glass for shower cabin installations includes laminated glass with dichroic film, transparent colored films, and metal meshes. With the right choice of glass, your bathroom transforms from a functional space into an oasis of unique aesthetics and ambiance. We exclusively use tempered glass.
