TEKSTILNI LAMINATI

Zarobljena ljepota tkanine

U kolekciji tekstilnih laminata staklo obuhvaća tkaninu između dva ili više slojeva stakla, čuvajući organsku teksturu vlakana uz profinjenu transparentnost. Kombinira čvrstoću i sigurnost stakla s nježnom ljepotom tkanih tekstila. Ovi laminati idealno su rješenje za difuziju svjetla i stvaranje posebne atmosfere u interijerima.
